## Other Notes:

- On this trip, there will be a variety of ministry opportunities which you can choose from. We will be building a house, hosting a medical and eye clinic, and providing arts and crafts alongside the clinics.
- The price does NOT include airfare and travel expenses to and from San Diego. We estimate a round-trip flight at \$200. Most people fly on the dates of the trip, but driving is an option.
- If you want to take your own vehicles into Mexico, the cost will be \$100 off the price for each person. You will need to purchase Mexican Insurance and then you will pay your own gas and tolls.
- We suggest \$100 for personal spending and souvenirs. US currency is accepted everywhere we travel. Just bring small bills.
- Lodging options are mostly dorms, but there are some rooms for families. Rooms will be assigned based on need and availability.
- Everyone will have a trip insurance policy. It covers emergency medical expenses, emergency medical evacuation, etc. There's a full list of coverage on the form you complete.
